

English

We will be exploring our non-fiction text Book of Bones and creating a fact sheet.

We will explore A River by Marc Martin and from this write our own imaginary journey.

Maths

Multiplication and Division

We will be continuing our learning in multiplication and division aiming towards:

Year 3 - multiplying and dividing 2 digits by 1 digit numbers with remainders.

Year 4 - multiplying and dividing 3 digits by 1 digit numbers with remainders.

Length, Perimeter and Area.

Year 3 will begin to explore length and perimeter and Year 4 will be extending their learning in length and perimeter into area.

RE

Our focus this half term will be on Islam and building on our understanding of the Muslim faith. The overarching question we will be exploring this half term is:

How do festivals and worship show what matters to a Muslim?

PE

This half term we will be learning all about Volleyball and how to dig, set and serve.

Mr Luxa will be teaching us on Tuesday, alongside Miss Ward and Mrs Griffiths will be continuing our learning on Fridays.

Chestnut Class

Spring Term 1, 2024

Year 3 and 4

Science

We will be tackling some Biology with our Animals including Humans unit.

We will be thinking more specifically about food and nutrition and its relationship to muscles and skeletons.

Foundation Subjects

Geography - This term we are looking at *How can we live more sustainably?*

Computing - We will be exploring creating media through video.

PSHE - We will be completing the Jigsaw module *Dreams and goals.*

MFL - We'll be learning names for places in town and transport in French.

Art

We will be focusing in on the works of William Morris in our Fabric of Nature Art unit. Using nature as our inspiration in creating our final piece.

Music

We will be working with Mr Miners on Brass instruments, and thinking about pitch, dynamics, tempo and notation.
